Sunday School Class @ 9 AM
Our Sunday School Youth Group class meets Sundays at 9 AM next to the youth room. Our Sunday School class exists to train students to be more like Jesus Christ.
Students are encouraged to bring a Bible and be ready to learn! One of our primary goals is to equip students to be able to interpret the Bible.

Our mission is to make disciples who know, grow, and show the living God.

KNOW: We strive to help kids know who God is. We desire to teach God’s Word, pointing them to the character of God and the Gospel. By the time a child graduates from the children’s ministry program, they will know who God is, the big story of Scripture, and that Christ died for sinners.

GROW: Our mission is to make disciples. We want the information to lead to transformation. We don’t want kids to just know God, but to grow in their relationship with Him and others. This is accomplished by providing tools and fostering relationships that encourage and equip kids to love God.

SHOW: We are all called to be evangelists, even kids. We want to equip kids to show who God is and what He has done in their lives. This could involve proclaiming the glory of God through words or actions, with the ultimate goal of making disciples who make disciples.
